Bicottura in pasta bianca
White body double-firing

In Chelsea la ceramica artistica tradizionale incontra superfici e formati di tendenza. Rivestimento in bicottura artigianale, pura pasta bianca pressata nei formati 15x45 e 15x15. Uno spessore di tredici millimetri e fondi strutturati smaltati in morbidi 6 colori rendono questa manifattura contemporanea e classica allo stesso tempo.

Chelsea is the perfect match between the Traditional Artistic Ceramic and Contemporary Sizes. A "Workshop" white body wall tile moulded in individual pieces of Size cm 15x45 and cm 15x15. The 13 mm thick biscuit and the irregular structures glazed in 6 shining colours make this "Hand-Made" looking like a style Modern and Classic at the same time.

Chelsea, où la céramique traditionnelle rencontre nouvelles surfaces et formats de tendance. Revêtement en biccuisson artisanale, pure pâte blanche pressée dans les formats 15x45 et 15x15. L'épaisseur de 13 mm et les unis structurés et émaillés en 6 coloris contribuent à rendre unique cette manufacture. La passion et la richesse du fait à la main, l'élégance des surfaces vitreuses confèrent à Chelsea un design au même temps contemporain et classique.

In der Serie Chelsea trifft die "Traditionelle Kunstkeramik" auf moderne Oberflächen und Formate. Es handelt sich um Steingut in Handformat und feinstem weissen Scherben mit Formaten von 15x15 und 15x45cm. Die besondere Handformstruktur, die eine Staerke von 13 mm rechtfertigt, und die samtigen tiefen Glasuren der 6 Farben, lassen ein Produkt entstehen, in dem sich Zeitgeist und Klassik versöhnen.

В коллекции Chelsea с направлением "Традиционной керамики ремесленного производства" представлены поверхности и форматы последних тенденций. Настенная коллекция, чистая белая глина двойного обжига, прессуется в форматах 15x45 и 15x15. Толщина 13 миллиметров и покрытый эмалью структурный фон в 6 мягких оттенках придают этой серии одновременно современный и классический стиль.
